Hi, I'm Lance

Student Developer | Web Developer

I build websites and small web applications while continuously learning and improving my development skills.

About Me

- Information Technology student
- Interested in web development and software development
- Currently building practical projects to improve my development skills
- Continuously learning new technologies and development practices
- I enjoy turning ideas and real-world problems into simple digital solutions

Tech Stack

Languages

- Python
- JavaScript
- HTML
- CSS
- SQL

Frameworks & Libraries

- Flask
- Tailwind CSS
- Flutter

Databases

- MySQL

Tools & Platforms

- Git & GitHub
- VS Code
- Vercel
- XAMPP

Featured Projects

PRESSPOINT

Cloud-based interactive book system designed for The Gears Publication to provide digital publication content, campus navigation, interactive mapping, and virtual tour features.
